WORLD
AT WAR

THE POWER OF INTERNATIONAL SOCCER . . . AT YOUR FINGERTIPS!

It's nothing short of unarmed combat It's the thundering, pummeling excitement of World Soccer Finals™! Now up to four players can get in on all tha great international action of one of the world's most popular and punishing field sports

A World Class Line-up

Choose your favorite country from a world roster of teams and select your team colors Then challenge your friends or tha World Soccer Finals computer as you battle your way team by team, country by country, through tha finals and on to tha World Cup!

Team work is the name of the game as players choose up sides and then jump into tha action! New players can join in at any time.

Game action takes place up, down and across the field on the "stadium size" 25" color monitor built into a rugged, dedicated 4-player cabinet And it will seem like you are in an actual stadium as tha two teams pound the turf from one goal to tha other . kicking, blocking, passing and running with all tha action and bone-jarring stereo sound effects of the world class soccer exhibition of the year, tha Italia '90 Soccer Finals! Fullbacks patrol the backfield while your Goalie stands guard as tha last line of defense Up field, your Halfbacks cover tha mid-field to ward off offensive thrusts while out in front, your Wings are in the thick of it all locked together with your opponent in fierce foot-to-foot combat!

Fight To The Finish!

Headers, bicycle kicks, chest traps, shoulder charges, corner kicks, diving saves and goals ... they are all here in World Soccer Finals! Dribble the ball, pass it or block your opponent's charge Set up any one of three different defensive patterns World Soccer Finals automatically adjusts to your level of playing skill for plenty of fun, whether you are a beginner or a pro Everything that is international soccer , tha fire, tha speed and the flair has been packed into World Soccer Finals to bring you the most exciting field sport game action ever!
